Joint Innovation Hub North and Baltic Sea **STAKEHOLDER DAYS**

30 November – 1 December, 2022
Helsinki, Finland

Finding the perfect innovation - Finding the perfect talent

For the first time, EIT RawMaterials Innovation Hubs North and Baltic Sea are gathering all stakeholders in the two innovation hubs to joint Stakeholder Days. This is a unique opportunity for all stakeholders in the community in northern Europe to identify new opportunities, grow networks and do business.

Date: 30 November – 1 December 2022

Time: lunch to lunch

Venue: [Hotel Kämp](#), Helsinki, Finland ([Google Maps link](#))
